General provisions

Part 1 Introduction

Terms and scope of cover

1. The Assured is insured on the terms set out in these Terms and Conditions (T&Cs) and the Certificate of Insurance.
2. The Assured is only insured for liabilities, losses, expenses and costs which arise;
 - 2.1. out of an Event taking place during the period of insurance, and
 - 2.2. in direct connection with the operation or performance of the Vessel or Unit.

Duration of cover

3. Unless otherwise agreed, the insurance cover shall be effective at 00:00 hours GMT on the date prescribed in the Certificate of Insurance, and shall continue annually, unless and until cover ceases or the insurance is terminated in accordance with these T&Cs.

Definitions

4. Words and phrases which are defined in Appendix 1 shall have the meanings set out in that Appendix.

Application

5. The General Provisions shall apply to all insurance covers afforded in Sections A and B of these T&Cs.

Part 2 Conditions

Disclosure and alteration of risk

6. The Assured and the Assured's agent shall;
 - 6.1. make full and correct disclosure to Skuld of all circumstances which the Assured or the Assured's agent knows or should know would influence Skuld in deciding whether and on what terms to provide cover, and
 - 6.2. make full, correct and prompt disclosure to Skuld of every change in circumstance which the Assured or the Assured's agent knows or should know alters the risks covered by Skuld,

failing which the Assured shall not be entitled to any recovery from Skuld in respect of any Event occurring after the time of the failure.

Premiums and Lay-up returns

7. The Assured shall pay all premiums and any other sums due to Skuld as they fall due, failing which Skuld shall be entitled to interest at such rates as Skuld may decide from time to time.
8. When the Vessel or Unit is laid up in a safe port or place without crew (other than for maintenance and security) on board for 30 consecutive days or more, the Assured shall be entitled (subject to any special terms which may have been agreed) to a reduction or return of premiums in respect of the laid up period as determined by Skuld, provided that written notice of the lay-up is given to Skuld no later than three months after the end of lay-up, or if the lay-up period continues into after the renewal date, within 14 days prior to the renewal date.
9. The Assured shall pay Skuld on demand the amount of any tax or duty relating to premiums or other sums paid or payable by the Assured and for which Skuld is or may become liable.

Obligations

10. The Assured shall:
- 10.1. upon the occurrence of any Event, take all reasonable steps to avert or minimise any liabilities, losses, expenses and costs which may be covered by Skuld,
 - 10.2. comply with all requirements (including the inclusion of contractual terms or the exclusion of contractual terms), recommendations or requests for surveys, information or documents made by Skuld,
 - 10.3. be obliged to provide the Association as soon as possible with all available information and documentation relating to any claim or to any event which might give rise to a claim,
 - 10.4. refrain from contracting on terms imposing a greater liability on the Assured than:
 - a) what is customary in the area or trade where the Vessel or Unit operates,
 - b) Knock-for-Knock terms, and
 - c) the permitted limitation of liability under the applicable law,
 - 10.5. allow Skuld to handle any claim against the Assured or any recourse claim on behalf of the Assured and authorise Skuld to appoint lawyers, experts, arbitrators, surveyors and other parties on behalf of the Assured. Skuld should also be entitled to require the Assured to settle, compromise or otherwise dispose of any claim or proceedings in such a manner and upon such terms as Skuld considers appropriate and be able to exercise its discretion under these rules without being under an obligation to give reasons for the decision reached pursuant to the exercise of such discretion,
 - 10.6. notify Skuld promptly of any incident which may give rise to liabilities, losses, expenses or costs which may be covered by Skuld,
 - 10.7. preserve any right of recourse against third parties,
 - 10.8. refrain from admitting liability, waiving rights, settling any claim or appointing any lawyers or arbitrators without the prior approval of Skuld, and
 - 10.9. ensure from commencement and throughout the period of cover that the Vessel or Unit:
 - a) complies with all requirements or recommendations of her classification society,
 - b) comply with all statutory requirements of the state of the vessel's flag, relating to the construction, adaptation, condition, fitment, equipment, manning, operation, security and management of the entered vessel or unit (including applicable requirements of the ISM and ISPS codes),
 - c) is loading or carrying cargo in compliance with the guidelines and/or requirements of the IMDG Code or any other applicable regulations or conventions,
 - d) is fit or suitable for the intended operation, and
 - e) is only engaged in operations or on a voyage which is legal and safe.
 - 10.10. The insurance shall not cover the Assured for any liabilities, losses, expenses or costs resulting from the Assured's failure to comply with any of the obligations set out in clause 10, except insofar as the Assured can prove that the failure has not contributed towards the claim against Skuld or has otherwise materially prejudiced Skuld's interests.

Classification & certification

11. It shall be a condition precedent of the insurance cover
- 11.1. that the entered vessel or Unit remains fully classed with a classification society approved by the Association,
 - 11.2. that the vessel's or Unit's classification society is not changed without the Association's prior consent, and
 - 11.3. that the Assured shall maintain the validity of all statutory certificates issued by or on behalf of the state of the vessel's or Unit's flag in relation to the ISM Code and ISPS Code.

- 11.4.** In the event of any failure to comply with any of the above requirements, the Assured shall not be entitled to any recovery from the Association in respect of any event occurring during the period of non-compliance.

Pay to be paid

- 12.** The Assured is only entitled to claim against Skuld for liabilities, losses, expenses or costs (which are the subject of the claim) that have actually been paid or discharged by the Assured, Joint-assured, Co-assured or Affiliate and that, in the event of a liability, the liability has been discharged pursuant to;
- a) court order or judgment, other than a default judgment,
 - b) an award, other than a default award, of an arbitration tribunal appointed with the consent of Skuld or in accordance with an arbitration agreement entered into before the Event giving rise to the claim arose, or
 - c) a settlement approved by Skuld.

Survey and Audit

- 13.** Skuld may, for its sole benefit, conduct a survey of the condition, operation or trading of the Vessel or Unit, or audit of the Assured's management systems, at any time. If the survey or audit demonstrates that the risks covered by Skuld are altered, the Assured shall indemnify Skuld against the cost of the survey or audit, and Skuld shall be entitled to restrict cover from the time when the risk was altered until the alteration of risk has been rectified.

Part 3 Exclusions

- 14.** The insurance shall not cover the Assured for any liabilities, losses, expenses or costs which arise out of or in respect of:
- 14.1.** the Assured's deliberate breach of any contract, fraudulent act or Wilful Misconduct,
 - 14.2.** the Assured knowingly sending to sea or operating the Vessel or Unit in an unseaworthy condition,
 - 14.3.** the terms of an indemnity or contract (including crew contracts) which has not been accepted or approved by Skuld, or except insofar as the Assured would have been liable in any event in the absence of the indemnity or contract,
 - 14.4.** any claim in respect of the detention, delay (except for delay incurred in order to avert or minimise any liabilities, losses, expenses and costs which is covered by Skuld), loss of use of the Vessel or Unit or in respect of hire due to the Assured,
 - 14.5.** failure to arrive or late arrival of the Vessel or Unit in accordance with, or cancellation or termination of, any charterparty or other engagement,
 - 14.6.** consequential loss, general monetary loss, or loss of time, loss through price, market or currency fluctuations, loss of market or similar loss, loss of production, depreciation, loss of opportunity, loss of profit, or similar loss, except where the Assured is legally liable to a third party for such loss and such liability is covered under these T&Cs,
 - 14.7.** any claim for liquidated damages,
 - 14.8.** any claim for damage to Contract Works,
 - 14.9.** any claim for failure to perform services under a contract,
 - 14.10.** irrecoverable debts or insolvency of the Assured or any other party, other than liabilities arising out of clause 41.1.8,
 - 14.11.** the Assured's internal administrative costs or expenses, or the daily running costs or expenses of the Vessel or Unit,
 - 14.12.** any claim recoverable by the Assured under another insurance policy (including but not limited to any Hull or employment insurance policy) or which would have been recoverable under another insurance policy had the Vessel or Unit been properly insured for the uncommitted market value on standard terms without deductible,
 - 14.13.** repairs and damage to or loss of the Vessel or the Unit, her equipment, outfit or supplies or any other property owned or leased by the Assured or any party associated with or under the same management as the Assured,
 - 14.14.** carriage of Valuables, whether the value is declared or not, unless the Association has been notified prior to any such carriage, and any directions made by the Association have been complied with,

- 14.15. War Risks,
- 14.16. Nuclear Risks,
- 14.17. Chemical, Bio-Chemical, Electromagnetic Weapons and Computer Risks, or
- 14.18. any default judgement or default award,
- 14.19. where payment by Skuld or the provision of cover in respect thereof may expose Skuld to the risk of being subject to a sanction, prohibition or any adverse action by a state or international organisation or competent authority.
- 14.20. loss or damage to the hole, well or reservoir, where that loss or damage arises in connection with the hole or well which is being drilled or worked over or serviced by the Vessel or Unit.
- 14.21. loss of or damage to property belonging to any person chartering the Vessel or Unit by way of a charterparty or other contract for the employment of the Vessel or Unit and any other party having an owning interest in the field being serviced by the Vessel or Unit, caused by blow-out, crating, seepage or any other uncontrolled flow of oil, gas or water from the well or reservoir, provided that the liability arises in connection with the well which is being drilled or worked over or serviced by the Vessel or Unit.
- 14.22. clean-up of debris lost or deposited on the seabed during operations, except insofar as such costs are recoverable under the Assured's P&I policy provisions dealing with wreck removal and obstruction, provided that in no circumstances shall cover extend to any costs relating to clean-up of drilling equipment being used in the sea below the rotary table or in the well.
- 14.23. any event falling within the Communicable Disease Exclusion Clause.

Part 4 Limitation and deductible

Limitation

- 15. Where the Assured or Co-assured is entitled to limit any liability covered by Skuld, there shall be no recovery in respect of such liability for more than the amount to which liability could have been limited.
- 16. Where more than one limit applies, Skuld's liability shall not exceed the lowest applicable limit.
- 17.
 - 17.1. There shall be no recovery under these T&Cs in excess of the limitation amount set out in the Certificate of Insurance for any one Vessel or any one Unit in respect of liabilities, losses, expenses and costs arising out of any one Event.
 - 17.2. There shall be no recovery under clauses 51 and 52 (Fines) of these T&Cs in excess of USD 50 million arising out of any one Event.
 - 17.3. Where liabilities arise under a CLC Certificate, Bunkers Convention Certificate or Wreck Removal Convention Certificate, MLC Certificates issued by Skuld and such liabilities ("Certified Liabilities") exceed or may exceed in the aggregate the limit of cover,
 - 17.3.1. Skuld may in its absolute discretion defer payment of a claim in respect of those liabilities or any part thereof until the Certified Liabilities, or such part of the Certified Liabilities as Skuld may decide, have been discharged, and
 - 17.3.2. if and to the extent any Certified Liabilities discharged by Skuld exceed the said limit any payment by Skuld shall be by way of loan and the Assured shall indemnify Skuld in respect of such payment
- 18.
 - 18.1. Where Skuld has reinsured the risks insured under these T&Cs, Skuld shall only be obliged to pay, in respect of any claim arising out of any one Event, any amount in excess of USD 100 million per Event as and when such funds are received by Skuld from the reinsurers, at which time the balance of the claim will be paid to the Assured.
 - 18.2. The Assured shall in no circumstances be entitled to recover from Skuld that part of any liabilities, costs and expenses which is not recovered by Skuld under any reinsurance(s) arranged by Skuld because of a shortfall in recovery from reinsurers thereunder by reason of a sanction, prohibition or adverse action against them by a state, international

organisation or other competent authority or the risk thereof if payment were to be made by such reinsurers and, if for any reason whatsoever Skuld discharges the liabilities of the Assured or makes any payment to the Assured in respect of which it suffers such a shortfall in recovery, the Assured shall indemnify and hold Skuld harmless to the extent thereof.

For the purposes of this provision, "shortfall" includes any failure or delay in recovery by Skuld by reason of the parties or reinsurers making payment into a designated account in compliance with the requirements of any state, international organisation or other competent authority.

Deductible

19. The Assured's cover shall be subject to the deductible as set out in the Certificate of Insurance for any one Vessel or any one Unit in respect of liabilities, losses, expenses and costs arising under any one Event.

Part 5 Termination

Cessation

20. Unless Skuld agrees otherwise, the insurance cover shall cease without notice immediately where:
- 20.1. there is a change of management or ownership of the Vessel or Unit as disclosed to Skuld,
 - 20.2. the Assured becomes insolvent, bankrupt, is dissolved or wound up, has a receiver or liquidator appointed or commences proceedings under any bankruptcy or insolvency laws to seek protection from creditors,
 - 20.3. the Vessel or the Unit becomes a total loss, or accepted by hull underwriters or deemed by Skuld as being a constructive, compromised or arranged total loss, except in respect of liability arising out of the casualty which gives rise to the total loss,
 - 20.4. the Vessel or the Unit is missing for ten days from the date it was last heard of,
 - 20.5. the Vessel or the Unit is posted at Lloyd's as missing, or
 - 20.6. the Vessel or the Unit is requisitioned by a State or Government Authority.
 - 20.7. the Vessel having been engaged or engaging in any activity whatsoever that may expose Skuld to the risk of being or becoming subject to any applicable sanction, prohibition, or adverse action in any form whatsoever by any State, international organisation or competent authority. The cessation of cover will take effect from the date of the commencement of the aforementioned activity.

Notwithstanding the provisions of 20.7 above, where cover ceases or the entry is terminated, Skuld may nevertheless, in its absolute discretion, reinstate the cover with effect from such time as it considers appropriate.

Termination by the Assured

21. The Assured may terminate the cover of any Vessel or Unit with effect from 00:00 hours GMT on the annual renewal date by giving 30 days written notice prior to that date.

Termination by Skuld

22. Skuld may terminate the insurance cover;
- 22.1. by notice with immediate effect, where the Assured is in breach of his obligations under clause 6 (in respect of disclosure and alteration of the risk), clause 14.1 (in respect of the Assureds fraudulent acts or Wilful Misconduct) or clause 10.8 (in respect of the classification and ISM certification of the Vessel or Unit),
 - 22.2. on three days' notice, where the Assured is in breach of his obligations under clause 7 (in respect of the payment of premiums and other sums due to Skuld),
 - 22.3. on seven days' notice, where the Vessel or the Unit is unseaworthy and the Assured has not made it seaworthy without undue delay, or where the Assured has not allowed Skuld to carry out a survey in accordance with clause 10.2, or where the Assured has notified Skuld of any change of circumstance which materially alters the risk covered by Skuld, or

- 22.4.** on thirty days' notice, without giving any reason,
- 22.5.** notwithstanding and without prejudice to clause 20.7, on such notice in writing as Skuld may decide where, in the opinion of Skuld, the Assured has exposed or may expose Skuld to the risk of being or becoming subject to a sanction, prohibition, restriction or other adverse action by a state or international organisation or competent authority.

Effect of cessation and termination

- 23.** Skuld shall be under no liability whatsoever in respect of any Event occurring after cessation or termination of cover.
- 24.** Where cover ceases under clause 20 (cessation of cover) or where the cover is terminated under clauses 22.3 and 22.4 (termination by Skuld on seven or thirty days' notice), the Assured shall be entitled to a pro rata reduction of premiums.
- 25.** Where cover ceases or is terminated, or cover is otherwise restricted or lost under these T&Cs, the Assured shall (subject to the reduction provided in clause 24) remain liable for all premiums due.

Part 6 Miscellaneous

Time Limits

- 26.** Any claim against Skuld shall be waived and time barred unless,
- 26.1.** the Assured gives notice to Skuld of any Event which may give rise to a claim on Skuld within six months of the Assured becoming aware of that Event, and
- 26.2.** the Assured commences proceedings against Skuld in respect of that claim,
- a) within six months of receiving written notice from Skuld stating that the claim has been rejected,
 - b) within three years of the end of the calendar year during which the Assured first received sufficient information to enable the Assured to submit a claim to Skuld, or
 - c) in the absence of such information, within ten years of the date of the Event giving rise to the claim unless the claim is dependent upon litigation or a general average adjustment still in progress at the expiry of the ten-year period, in which case that period will be extended until one year after the issue of the final judgment or adjustment, whichever first occurs.

Provision of Security

- 27.** Skuld shall be under no obligation to provide security in respect of any liability of the Assured or any claim against the Assured or the Vessel or Unit.

Waiver and recovery

- 28.** In the absence of an express written confirmation of cover given by Skuld, no act (including the provision of security, certificate, payment of any sum or handling of any claim) and no omission or delay by Skuld shall be treated as a waiver of Skuld's rights or acceptance of cover. If Skuld provides security, incurs costs, or makes any payment in respect of a claim or dispute which turns out not to be covered, the Assured shall provide such counter-security as Skuld requires or indemnify Skuld within 7 days of Skuld's written demand.

Subrogation

- 29.** Where Skuld makes any payment in respect of any liability or costs, it shall be subrogated to the rights of the Assured, Co-assured or Affiliate and any recovery shall be passed to Skuld which shall be entitled to deduct a sum up to the amount paid by Skuld before any balance is credited to the Assured.

Exclusion of Liability

30. Skuld, its officers and employees shall not be liable in respect of any act or omission of Skuld, its officers, employees, agents, representatives, lawyers, experts, surveyors, or other party employed or appointed by Skuld, whether or not any negligence is involved.

Burden of Proof

31. The Assured shall have the burden of proving that any claim against Skuld results from a risk covered under the insurance.

Savings of the Assured

32. Where the Assured, as a consequence of an Event which is covered by Skuld, obtains extra revenue, saves expense or avoids liability or loss which would otherwise have been incurred and which would not have been covered by Skuld, Skuld may deduct and retain from the sum otherwise payable to the Assured, an amount which Skuld considers, in its absolute discretion, equivalent to the benefit obtained by the Assured.

Assignments and transfers

33. The Assured shall not, without the written consent of Skuld, assign or transfer any rights under these T&Cs or under any contract with Skuld, but in no circumstances, shall any assignee or transferee have a greater right than the Assured. Any assignment or transfer without Skuld's written consent shall not bind Skuld.

Set-off

34. Skuld shall be entitled to set off any amount due from the Assured against any amount due to the Assured or any Co-assured or Affiliate.

Interest

35. In no case whatsoever shall interest be paid on any amount due from Skuld.

Co-assureds, affiliates and fleet cover

36. The cover in respect of Co-assureds, Affiliates and Fleet cover shall be subject to the terms set out in Appendix 2.

Amendments

37. Skuld may amend these T&Cs as the situation may require with effect from 00:00 hours GMT on any date by giving at least 30 days' notice prior to that date. Amendments which do not materially change existing cover, may be done without giving prior notice. Amendment notices may be posted generically on Skuld's website only.

Arbitration and Law

38. Any dispute arising under or in connection with these T&Cs shall be referred to arbitration in Oslo pursuant to the Norwegian Arbitration Act. Each party shall appoint one arbitrator, and the two arbitrators shall appoint a third arbitrator who shall be the chairman of the arbitration tribunal. If one party fails to appoint an arbitrator within one month from being requested to do so or if the two arbitrators cannot within one month from the last appointment agree on who shall be appointed chairman, the Chief Justice of Oslo District Court shall be the appointer. The arbitrators shall be experienced in Norwegian insurance law.
39. The arbitration is deemed to be commenced when a request for arbitration is sent from the party requesting arbitration. Both the arbitral proceedings and the arbitration award shall be subject to confidentiality. The parties shall conclude a separate agreement to confirm the confidentiality upon commencement of the arbitration.
40. These T&Cs and any arbitration proceedings shall be governed by Norwegian Law, except that the Insurance Contracts Act of 1989 shall not apply.

Insurance cover

Part 1 MOU P&I Cover

Unless otherwise agreed, the insurance shall cover the following specified liabilities, losses, expenses or costs;

41. Crew and other persons

41.1. Crew

 - a) due to illness, injury or death,
 - b) under a statutory obligation other than under Maritime Labour Convention 2006 (as amended), or
 - c) due to a major casualty to the Unit which renders the Unit unseaworthy and necessitates the signing off of the crew,
- 41.1.3. costs of providing a substitute to replace a crew member repatriated under 41.1.2 (a) or (b) above,
- 41.1.4. wages to serving crew members or, if deceased, their dependants as a result of injury, illness or death,

- 41.1.6. the costs of the funeral and sending home of the coffin or ashes, and personal effects of a deceased crew member,
- 41.1.7. loss of or damage to personal effects other than Valuables, and
- 41.1.8. liabilities arising under MLC Certificates, save that the Assured shall reimburse the Association in full any claim paid under Certificates issued under Regulation 2.5., Standard A2.5.2.

41.2. Exception

However, the insurance shall not cover liabilities, costs, and expenses which arise under the terms of a crew contract or other agreement, unless those terms have been approved by Skuld.

41.3. Other persons

However the insurance shall not cover liabilities, costs and expenses which arise in respect of such persons carried on board the Unit unless their presence on board;

- b) has been approved by Skuld.

Collision and Contact

42. Liability arising out of collision between the Unit and another Unit or vessel, or contact between the Unit and a fixed or floating object, to the extent that liability exceeds the amount recoverable under the Hull policy.
43. If a collision or contact occurs involving two or more Units belonging to the same Assured, the Sister Unit Rule shall apply.

Property

44. Liability arising out of the physical loss of or damage to any property which is not specified elsewhere in Section A of these T&Cs and which is not owned or leased by the Assured.

 - b) out of pollution from the well which is being drilled or worked over or serviced by the Unit and measures taken to avert or minimise such liabilities, costs or expenses.

Wreck removal

46. The standard insurance shall cover liability and costs arising out of raising, removing, destruction, lighting or marking the wreck of the Unit or any other property on board, or parts thereof, or any other Unit or vessel, or their equipment or bunkers lost as a result of a casualty, insofar as the raising and other operations are compulsory by law, or necessary to avoid or remove a hazard or obstruction to navigation or the costs or expenses thereof are legally recoverable from the Assured under a contract approved by Skuld.

For the purpose of this rule, 'casualty' means collision, stranding, explosion, fire or similar fortuitous event, but excludes any wreck caused by dereliction.

The standard insurance shall also cover the Assured's liability and costs of the raising, removal, destruction or marking of the wreck of any other vessel or Unit, equipment, bunkers or cargo as far as the raising and other operations are compulsory by law.

46.1. Exceptions

However the standard insurance shall not cover liability, costs, or expenses

- 46.1.1. which are covered under the vessel's or Unit's hull policies, or

- 51. Liability for fines for:
 - 51.1. breach of any immigration law or regulations; or
 - 51.2. accidental escape or discharge of oil or other polluting substance or threat thereof, provided the Assured is insured for pollution liability under clause 45.
- 52. Skuld may in its absolute discretion cover, in whole or in part, the Assured's liability for fines other than those set out in clause 51, provided that Skuld is satisfied that the Assured took all reasonable steps to prevent the infringement of the law or regulations giving rise to the fine.

Part 3 Exclusions
